

ASEAN Integration: Opportunities and Challenges for SMEs and SMPs

Hosted by: Philippine Institute of Certified Public Accountants

This one-day conference will bring together regional and global experts, regulators, accountancy organizations, policy makers, standard-setters, small medium industries, and more importantly accountants in the Philippines to discuss the effects of the ASEAN integration on the ASEAN SMEs and SMPs.

The conference will also look at adoption and implementation of quality assurance review as a vital component for the profession in successfully welcoming the ASEAN integration. We welcome Accountants, Academicians, Regulators, SMEs, SMPs, Policy makers and all interested parties.
