

The Board of Accountancy has been conducting several surveys where those responding are able to communicate to the BoA their feedback on relevant accountancy issues. The BoA, in turn, is using the feedback in formulating programs and decisions.

To date, several surveys that have been released and/or are ongoing. These include the Sectoral Surveys for CPAs in Academe (AE), Public Practice (PP), and Commerce and Industry (CI); Survey on Satisfaction of PICPA Services; Survey on Access to Accountancy Website and Facebook sites; New CPA Tracker Surveys; and various Mini Surveys.
